

Waiting In Restaurants

Rules & Regulations

All Employees must adhere to the following guidelines when working, serving or idling in the kitchen area. Management requests full compliance when pulling off the following games and fucking with customers' food to reduce restaurant stress.

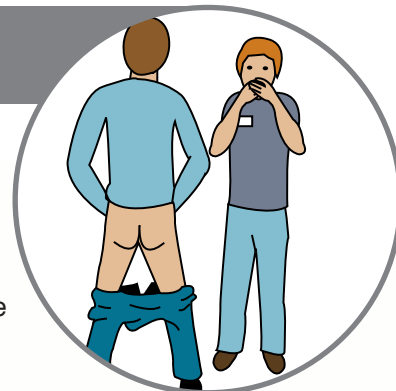

How to Pull Off "The Brains"

- 1) Quietly unzip your trousers or shorts.
- 2) Carefully and quietly pull out your nut sack.
- 3) With one of your hands, squeeze the base of your nut sack, so that your wrinkly, hairy balls are jutted forward in full plume.
- 4) Take a moment to admire your work. It really does look like a brain.
- 5) Get your "Brains" in the eye-line of an unsuspecting co-worker so that he may see your nudity.
- 6) After your co-worker recoils in horror, question his sexuality and then kick him in the ass two times.

How to Pull Off "The Batwing"

- 1) Quietly unzip your trousers or shorts.
- 2) Carefully and quietly pull out your nut sack.
- 3) With your left hand, grab the left side of the skin of your nut sack. Do the same on the right side with your right hand.
- 4) Pull outwards with both hands, stretching the excess skin around your wrinkly, hairy balls, so that the surface looks flat, like paper.
- 5) Get your "Batwing" in the eye-line of an unsuspecting co-worker so that he may see your nudity.
- 6) After your co-worker recoils in horror, question his sexuality and then kick him in the ass three times.

How to Pull Off "The Goat"

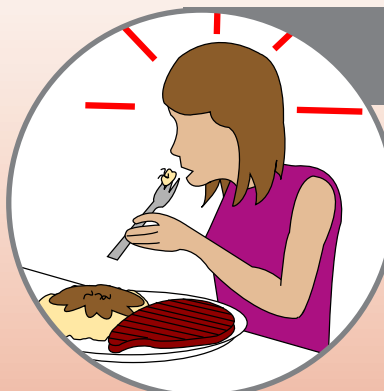

- 1) Quietly unzip your trousers or shorts and pull hem down around your knees.
- 2) Carefully and quietly take your cock and balls and tuck them in between your legs.
- 3) Bend over, pushing your cock and balls out and

into the air. The combination of your wrinkly balls, your flaccid penis, and your hairy asshole now somehow resembles a goat.

- 5) Get your "Goat" in the eye-line of an unsuspecting co-worker.
- 6) After your co-worker recoils in horror, question his sexuality and then kick him in the ass six times.

How to Fuck with Food

- 1) As a restaurant employee, patiently wait until you encounter a customer that is exceptionally rude and disrespectful.
- 2) Take note of the Table Number in which they are sitting, and then head back into the kitchen
- 3) Depending on the food, you have many tools in your tainting repertoire. For example:
 - a) Bread can be rubbed against your taint and asshole.
 - b) Testicles can be placed upon all manner of meat.
 - c) If they have any liquids on their plate (gravy, melted butter, au jus) you may add some of your saliva, urine, or, if you are man enough, semen.
- 4) Once you have sufficiently fucked with the Shit-hole customer's food, take a few moments to clean the plate up so as not to arouse suspicion.
